The child, the child, the child
 Victim of war
 So innocent
 So pure
 It's a shame to kill a child
 No more
 Mankind so offensive
 Who gave thou pure evilness to
 slay a child

The innocent
 The pure
 The child, the child, the child
 Victim of war
 No existence
 No subsistence

Regret
 When
 The child, the child, the child
 Is no longer a child
 A victim
 A victim of war

Kurdistan

Kurdistan

by Bana Ahmed

Kurdistan
 Is a place for the older generation
 Is a place for the youth
 Is a place for all
 Kurdistan is the land of the Kurdish
 people.

Kurdistan
 Is a place for gracious people
 Is a place of hope
 Is a place of ambition
 Kurdistan is a place for people with
 tenderness

Kurdistan
 Is a place of appreciation
 Is a place of calm nature
 Kurdistan is a land of success

Kurdistan
 Is a place of green land
 Is a place where angels roam
 around
 Is a place for dreams to come true

Kurdistan
 Is a place of holiness and peace
 Is a land of prosperity

HOT!

He's so cute
 He's so hot
 Here's a fact ...
 I like-em a lot

He looks so
 good
 He looks so
 fine
 Here's a fact...
 Hes gonna be
 nice

His nose is
 small
 His ears are
 hairy
 Here's a fact ...
 He is God's
 fairy

His name is
 sweet
 His eyes are
 shiny
 Here's a fact ...
 His face is
 tiny

His whiskers are
 white
 His tail is fat
 Here's a fact ...
 HE IS MY CAT!

Anger
 He who gets angry has his share
 eaten by others.
 An angry heart doesn't achieve
 success.
 Anger destroys both hearts.

Authority
 Sleep in the shadow of a lion
 even if the lion eats you.
 The village without a head is
 like a shepherd without a herd.
 In forests where there are no
 elephants, the lousy jackal sees
 itself as a lion.

Charity
 If a tree makes no shade for
 itself, how can it provide
 shade for others?
 If you want to see heaven, feed
 one hungry person and keep one
 persons secret.
 The shoemaker is without shoes
 and the dressmaker is without
 clothes.

Conflict
 He who does not fight has a sharp sword.
 He who carries a sword need not to
 listen a lion.
 If you want to have a brain like a
 child's, fight with someone stronger
 than you.
